Welcome to the Millennium Club

Your Millennium Club Membership Matters

Volunteers in Medicine VIM Hilton Head Island is a not-for-profit 501(c)3 organization completely dependent upon contributions for clinic operations.

As a Millennium Club Member, we recognize that you have gone above and beyond to support VIM financially and through your volunteer efforts. We appreciate all that you do for us and our patients, and thank you for your thoughtfulness and generosity. Your membership in the Millennium Club is invaluable!

For more information on VIM Millennium Club membership, please contact:

Linda S. Bloom | Director of Development
Volunteers in Medicine Hilton Head Island
15 Northridge Drive | Hilton Head Island, S.C. 29926
office: 843-689-6612 | lbloom@vimclinic.org

The Millennium Club Members have chosen to support Volunteers in Medicine Hilton Head Island in a generous and meaningful way that enables us to fulfill our mission first started June 9, 1993:

To understand and serve the health and wellness needs of the medically underserved population living and/or working on Hilton Head and Daufuskie Islands.

The Millennium Club Members are a special group of donors who have been recognized by VIM’s Board of Directors for their continued and generous support.
May we have the eyes to see those who are rendered invisible and excluded
Open arms and hearts to reach out and include them
Healing hands to touch their lives with love
And in the process heal ourselves.

“Twenty Years of Healing”

In 1992, Dr. Jack McConnell had the vision and determination to establish Volunteers in Medicine Hilton Head Island, the first clinic in the country to rely on volunteers to provide free health care. Today, 92 clinics nationwide are providing these vital services based on Dr. Jack’s model.

On Hilton Head Island, we have grown from a single room that opened in 1993 to a medical campus that includes a medical clinic, dental clinic with dedicated pediatric facilities, and mental health facilities. Today, we offer care across 23 medical specialties, 5 disease management clinics, and offer comprehensive health and wellness services to entire families.

More than 70% of VIM Hilton Head Island’s adult patients are employed, most in tourism related businesses. Sadly, they are also underinsured or have no health insurance at all. Our commitment is to serve our patients and their families, to provide dignified and comprehensive medical services, and to continue to keep our neighbors healthy and our island’s economy strong.

Our Needs Are Ongoing

We are grateful for the many donors who have supported VIM Hilton Head Island over the years. Each and every year we start out with the challenging task of raising the revenue necessary to run the clinic. Today, our annual revenue goal exceeds $1.8 million dollars. We neither solicit nor accept government funding. We are totally dependent on the generosity of individuals, foundations and businesses to fulfill our mission to heal our neighbors and give them the vital gift of good health.

Millennium Club Members are individuals, businesses and foundations who have donated a minimum of $2,000 in a calendar year.

If you are already a Millennium Club member, you have our most profound gratitude for your generosity.
If you have not yet joined our ranks, please do so. The rewards are many.

We know there are many worthwhile non-profit organizations on Hilton Head Island. We are deeply grateful for your past and future support as we face challenging times in today’s economy.

The Millennium Club is designed to acknowledge your support, keep you informed of VIM’s activities and how your donations are being utilized, and to provide opportunities to meet other Millennium Club members, Volunteers in Medicine staff and Board of Directors.

Of course, the most important reward of Millennium Club Membership is the knowledge that you are giving the gift of good health to our deserving island neighbors.
